_____ picked up (@3:15) OR _____ dropped off (@3:45) Sunday at their PSR class

If your child is to be picked up from PSR, please provide a written note to your PSR teacher on the first day of choir rehearsal so that your teachers are aware that we have your permission to pick up your child from class.

You must be a registered parishioner at SJOA for your child to participate in the Children's Music Program. Your child must be currently enrolled in PSR or a Catholic school. Please walk your child into and out of the building for rehearsals.

Your signature indicates permission to use your child's image-video or still (as a member of the ensemble) in parish publications/website for publicity. Regular attendance is an expectation of participation. Like any team sport, skills can only be built through regular practice with the whole team present. If 1 player is missing, the team is not able to perform at its best. If your child is unable to attend a rehearsal or Mass, please inform the director as soon as you are aware of the conflict. If your child is unable to attend the rehearsal immediately prior to a Mass, they may be asked not to sing or ring for that Mass as other children who are attending may be assigned their part at the final rehearsal. This will be done at the discretion of the director.

I certify that the above information is correct and that I have read through & understand all of the above requirements for my child's participation.
