

St. Joan of Arc Spiritual Adoption Program

Our Spiritual Adoption Program begins on the Feast of the Annunciation, Monday, March 25. We pray you will become advocates for those who cannot speak, write, vote, protest or even pray for themselves by using a Spiritual Adoption Card for your family and praying for a child who is in danger of abortion.

Here's How it Works

You and your family agree to "Spiritually Adopt" a child in the womb who is in danger of abortion. You choose a name for your child; fill out the prayer card on this page and pray for your child until Christmas, mirroring the nine months Jesus spent in his mother's womb. Additional prayer cards are available on the Respect Life bulletin board in the hall.

In the bulletin each month you will find an update on how the child is growing and developing. There are also apps available, such as Adopt a Life, where one can follow the virtual development of the adopted child.

Please join us in this prayer to help, not only the unborn child, but also his or her mother. Pray that this mother will choose to give life to this child. Giving life will be a decision she will not regret in the future.

We hope all will participate in this endeavor. It is prayer that will help us end the holocaust of innocent babies in the womb.

Prayer for Spiritual Adoption

Jesus, Mary and Joseph,
I love you very much
and ask you to spare
the life of our unborn baby,

who is in danger of abortion.
May he/she grow strong
and healthy, and be blessed
with a beautiful and
happy birth.

Amen.

*"Before I formed you in the womb,
I knew you." [Jeremiah 1:5]*
